Deb: Of note when I went back through the list I found a couple of errors...

1. We counted the EPR Admin as a new hire when this had been previously approved so we are at 14
2. The TMS lab backfill and the TMS HR (Org Dev/Training) position were in the investment area but not in the list of 15. Adding these would make it 16 hires. Since we based everything on 15, I left the HR position off the list for now.

Thanks.

Rick
